**RE: *Groundwater Sustainability Plan Initial Notification***

Dear Mr. Joseph:

The Mid-Kings River Groundwater Sustainability Agency (MKR GSA), pursuant to California Water Code Section 10727.8 and California Code of Regulations, Title 23, Section 353.6, hereby gives notice to the California Department of Water Resources (DWR) that it will initiate development of a Groundwater Sustainability Plan (GSP) for the portion of the Tulare Lake Subbasin (No. 5-22.12, 2016 DWR Bulletin 118) within the boundaries of the MKR GSA.

Interested parties, as defined by the California Water Code Sections 10723.2 and 10927, may participate in the planning and development of the GSP by attending the regular MKR GSA monthly Board meetings held on the second Tuesday of the month beginning at 1:00 pm. The meetings are held at the Kings County Water District's office located at 200 North Campus Drive, Hanford, CA 93230. For more information or questions, please refer to the MKR GSA website at [www.midkingsrivergsa.org](http://www.midkingsrivergsa.org).

The MKR GSA has engaged the other five GSAs in the Tulare Lake Subbasin and plans to pursue the development of one GSP for the entire Subbasin. The MKR GSA looks forward to working with DWR to develop and implement a GSP. Should DWR have any questions about this notice, please contact Dennis Mills by email at [kcwdh2o@sbcglobal.net](mailto:kcwdh2o@sbcglobal.net) or by phone at (559) 584-6412.

Sincerely,

  
Dennis Mills, MKR GSA Secretary
